Walla Walla Valley*

*Oak: 30% new French*

*Chemistry: 14.4% alcohol*

*.54 TA*

*3.83 pH*

*Case Production: 1260 cases*

### *Winemaker's Notes:*

*Brunos Blend has gone vintage! No longer a multi vintage wine our 2009 Brunos Blend is predominantly Cabernet Sauvignon. Vineyard sourcing for this Bruno came from some very old and established WA state vineyards. This wine is dark ruby in color with bright fruit, spice, smoke & earth aromas on the nose. Medium to full bodied mouth feel with silky round and balanced tannins. Foodies will love the acid profile in this wine!*

*Justin Wylie, winemaker*
