Seven Hills
Portteus

Appellation: Columbia Valley

Oak Composition: 50% new french
Chemistry: Alc 14.3%, pH 3.72, TA .61
Case Production: 1,000

Winemaker's Notes:

Bruno Blend "VII" is predominantly Cabernet Sauvignon this year. Vineyard sourcing for this Bruno came from some very old and established WA state vineyards. This wine is dark ruby in color with bright fruit, spice, smoke & earth aromas on the nose. Medium to full bodied mouth feel with silky round and balanced tannins. Foodies will love the acid profile in this wine!
