Va Piano
Vineyards

Established 1999

CHI VA PIANO, VA SANO E VA LONTANO.

This Italian proverb from which we take our name translates to
“*when you go slowly, you go safely and you go far.*”

At Va Piano, we're all about slowing down and
enjoying the best of life: family, friends, shared stories and laughter,
good food and of course, great wine.

OUR ESTATE VINEYARDS

Our main estate is located on the Southside of Walla Walla. The 15 acres of
winery vineyard is planted with Cabernet Sauvignon, Merlot, Syrah,
Cabernet Franc, Malbec & Petit Verdot vines.

The Octave Estate, located on the Southside of the Walla Walla Valley AVA,
is a 22-acre hillside vineyard planted in 2007. This vineyard is known for
dark fruit and plush tannins.

A newly-acquired, 53-acre hillside site in the Walla Walla Valley AVA
will be planted in 2024. We're naming it the Giovanoni Estate.

THE WINEMAKER

A fourth generation Walla Wallan, Justin Wylie became fascinated with the blossoming wine industry literally sprouting up in his backyard.

Inspired, he started making wine in his garage. Learning from local winemakers, growers and aficionados, Justin found his palate and his hobby turned into a passion: with encouragement from friends and family, Justin began his first commercial crush in the fall of 2003 and Va Piano was born.

In his free time, Justin enjoys travelling, but mostly just hanging out at the winery with customers and crew.

OX WINES

Our OX wines pay homage to our venerable logo mark – a knight riding into battle on the back of an ox. We think this image perfectly represents our winery. Our name, Va Piano, comes from the old Italian proverb *qui va piano, va sano e va lontano: slow and steady wins the race.*

OX wines are built as fun, easy drinking wines with screw cap closure.

Great wines for a BTG option or value driven bottle list.
